

# The 31<sup>st</sup> Australian Miniature Traction Engine & Road Steam Engine Rally

## 19<sup>th</sup> & 20<sup>th</sup> October 2019

Hosted by the NSW Steam Preservation Society at Campbelltown Steam & Machinery Museum.

86 Menangle Rd Menangle Park NSW 2563  
csmm.info@gmail.com

*Welcome all Miniature Traction Engine and Road Steam Enthusiasts and their friends.*

The Board of Directors and Members of Campbelltown Steam and Machinery Museum would like to invite you to a special gathering of miniature engines at our October Open weekend. The open weekend is a celebration of the 40-year milestone for our museum and we would love to have you here to join in the festivities.

Campbelltown Steam and Machinery Museum is a volunteer run organisation which aims to preserve historic machinery for the education and information of the public. Set on 24 rural acres alongside the Hume Highway, we have a large array of steam driven traction engines & portable steam engines, oil, petrol and diesel stationary engines, tractors, farm machinery and our own 2 foot gauge industrial train & track that surrounds the southern end of the site.

We have room to park trailers and there is onsite camping available but please bring trailer locks as there will be a lot of vehicular movements and public will be nearby at all times (so all is park or camp at your own risk). We have space for some unpowered caravans if you book in, if you have specific medical needs for power please let us know and we will try and arrange supply. Contact Andrew McVey to discuss your needs 0414 692 867.

***Below please find some local accommodation options***

NAME	ADDRESS	Contact	DISTANCE FROM MUSEUM
Rydges Campbelltown	15 Old Menangle Rd, Campbelltown NSW 2560	(02) 4645 0500	6km
